# profit from our experience

*A leading specialist asset rental business with a proven track record spanning over 35 years.*

Established in 1935 Dawsonrentals, as it's more commonly known, has developed and diversified through successful acquisitions and organic growth. The group's customer base is extremely varied stretching across a broad spectrum of sectors, sizes and operational types, thus enabling experience to be gained in a wide range of industries and markets.

- |   |  |
|---|--|
| <b>1935</b> Family business started in road haulage.  | <b>2002</b> Established portable cold storage operations in Poland.  |
| <b>1974</b> Dawsonrentals established as a truck rental operation.  | <b>2003</b> Acquired temporary kitchens business, renamed as Dawsonrentals temporary kitchens limited.   |
| <b>1985</b> Dawsonrentals expands to include trailer rental.  | <b>2003</b> Acquired LHE Finance together with bus and coach disposals business, Ventura.  |
| <b>1990</b> Dawsonrentals portable cold storage division began.   | <b>2004</b> Dawsonrentals portable cold storage limited acquired the business and assets of 'Chill it'.  |
| <b>1994</b> Dawsonrentals bus and coach division established. Portable cold storage operations commenced in The Netherlands.  | <b>2005</b> Dawsonrentals materials handling equipment acquired Northern Municipal Spares Ltd. Sweeper operations have been absorbed by Dawsonrentals MHE and now trade as Dawsonrentals sweepers. |
| <b>1995</b> Portable cold storage commenced in France. Expansion into materials handling equipment market through fork-lift truck rental acquisition.                         | <b>2009</b> Set up Dawsonrentals finance.  |
| <b>1997</b> Acquired Portable Cold Storage Limited in the UK together with its subsidiaries in France and Germany.  | <b>2011</b> Established a van rental business.   |
| <b>1999</b> Expanded portable cold storage operations into Ireland.   | <b>2012</b> Established van sales.   |
| <b>2000</b> Acquired Rawlings Refrigeration, later renamed as Dawsonrentals display refrigeration limited. Group structure re-organised to create separate trading companies. |  |

## Dawsongroup specialist asset rentals

Our rental product portfolio is focused on high quality premium products typically with high unit values.

Dawsongroup has a consistent track record spanning over 35 years. We operate in several related markets principally within the UK but with a growing European presence and our rental portfolio amounts to over 18,000 assets. The business focus is on high quality premium products including commercial vehicles, trailers, buses, coaches, sweepers, materials handling equipment, an extensive range of temperature control products and kitchen units. We also provide finance broker services producing integrated asset finance solutions for a wide range of businesses in all industry sectors.

The group's broad customer base is represented mainly by large reputable companies.

# trucks trailers rigids

Dawsonrentals truck and trailer was formed in 1974 and now boasts an impressive fleet size of over 9,000 vehicles and trailers, with an average age profile of 2 years for vehicles and 4 years for trailers.

We have built an enviable reputation for unrivalled quality commercial vehicle rental, contract hire and leasing based on our on-going investment in premium marque vehicles and trailers; backed up by robust systems, technology and a genuine can-do approach.

We supply a national service second to none from our 24 branches, supported by our own 24/7 control centre ensuring that our vehicles spend more time on the road. Every contract is tailored to meet the needs of your operation from global enterprise to small emerging business.

*Trusted by the world's leading manufacturers, supermarkets, high street chains, freight transport operators and logistics businesses*

# buses coaches minibuses accessibles

Dawsonrentals bus and coach are continually expanding their fleet of over 2,000 vehicles, they pride themselves on quality service, reliability and commitment to our customers.

Whether you are looking to rent short-term, long-term or even looking to purchase a vehicle, Dawsonrentals bus and coach can offer a range of products to suit you.

Our existing client base includes the major UK bus groups, Transport for London operating companies, the major UK airports, local authorities, provincial bus companies and coach tour operators. We offer a vast range of buses, coaches, minibuses and accessible vehicles, to every sector of the UK road passenger transport industry.

# municipal sweepers industrial floor cleaners

Dawsonrentals sweepers is a leading rental and contract hire supplier of premium industrial and municipal sweeper equipment.

From the small precinct street sweeper and pedestrian industrial sweeper, to the large chassis mounted road sweeper, available for short-term rental and contract hire, our customers benefit from excellent maintenance support and a nationwide delivery and collection service.

The rental option has the financial benefit to the customer of being funded off the balance sheet and has no residual value or end of term disposal headaches. Whether long term or short your rental can be offered with a variety of inclusive service level options.

*A very big thank you to all  
your team for your help with  
the Notting Hill carnival*

Dawsonrentals temperature control solutions continue to expand their products and has evolved to become a hybrid between a rental operation and a project management company.

We supply temperature control solutions to a range of business sectors from florists to food storage companies to pharmaceutical giants. This can be in the form of a basic solution seamlessly linking coldstores to existing buildings or bespoke innovative solutions. Our business solutions often exceed customer expectations and produce outside-the-box solutions to temperature control requirements.

# commercial industrial hangers garages barns

Dawsonrentals temporary buildings offers low-cost, simple solutions providing cleaner working environments or additional space.

Available for rental or outright purchase, the significant benefits to businesses range from protection against weather and animal nuisances to improving the process flow.

Our considerable experience in the food and pharmaceutical sectors allows us to offer bespoke, practical and cost-effective solutions to all business sectors including the added benefit of combining full project management which encompasses consultation, design and site survey services with simple, fast installation.
